Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Venango County Public Safety Radio in Fiscal Year 2027. The entity to receive funding for this project is the County of Venango 1174 Elk St, Franklin PA 16323. The funding would be used for purchase of equipment for the emergency response system in Venango County. The project is an appropriate use of taxpayer funds. The improved system reduces operational risk, increases public safety, and provides a durable asset that maximizes the value of taxpayer dollars. Taxpayers benefit through safer communities, reduced duplication of services, and more efficient use of public safety resources.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Member of Congress
