

Congress of the United States
House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Harrisville Volunteer Fire Company Brush Utility Truck in Fiscal Year 2027. The entity to receive funding for this project is The Harrisville Volunteer Fire Company located at 313 East Mercer Street Harrisville PA 16038. The funding would be used for purchase of a brush truck (equipment) for an essential community facility is an eligible use of CF funds. This benefits PA-16 by providing reliable, consistent service to the community. Faster response time and the increased ability to respond to brush fire, medical and traffic calls.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Member of Congress
