The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C., 20515

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding to US 422 Bypass Phase 2 project in Butler County in fiscal year 2023. The entity to receive funding is the Southwestern Pennsylvania Commission (SPC) located at 2550 Oakland Avenue, Indiana, PA 15701.

The funding is for highway surface improvements including patching existing concrete four-lane roadway and overlay with bituminous binder and wearing courses, update drainage and guide rail, replace concrete median barrier, preservation work on structure, and other miscellaneous construction. Also included in the project is preventative maintenance paving of SR 8008 ramps between SR 356 and US 422. This project will provide better corridor and highway surface consistency for both the traveling public and corridor truck traffic and will adjoin with the recently completed Butler Bypass Phase 1 project.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Kelly  
Member of Congress
