The Honorable Rosa DeLauro
Ranking Member

U.S. House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Union City Borough & Police Department City Building – Union City, PA in fiscal year 2024. The entity to receive funding for this project is the Union City Borough located at 13 South Main Street, Union City, PA 16438. The funding would be used for phase 2 of the project which includes renovations and reconfiguration of four rooms on the first floor of the City Building: the municipal conference room, the Police Administration Office, and two Police Offices. This reconfiguration will allow space for the future elevator installation and provide upgraded spaces that are in keeping with the building's historic character. The project is an appropriate use of taxpayer funds because the building houses the Union City Borough Offices and Police Department which need redesigned to make the building ADA accessible for the community. Having access to the upper floors will create additional spaces to convene the public for information sharing, education, programming, and special events. Having a more secure, single entry to the Police Department will keep officers and community members safer.

The project has a Federal nexus because the funding provided is for purposes authorized by 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Mike Kelly
Member of Congress
