Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for East Washington Road (PennDOT ID 91768) in surface transportation reauthorization legislation.

The project sponsor for this project is PennDOT Engineering District 11-0 and the project is located at East Washington Road Shenango Township and New Castle, PA 16101.

The funding is designated for a roadway repaving consisting of a mill and overlay, minor bridge preservation work, and curb ramp installation on SR 65, East Washington Street in Shenango Township and the City of New Castle, Lawrence County.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits of addressing substandard roadway surface on a significant state route in Lawrence County. It will include improved roadway pavement, improved safety conditions, and improved pedestrian accessibility.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

  
Mike Kelly
