The Honorable Rosa DeLauro
Chair
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C., 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Institute for Health and Cyber Knowledge (IHACK) at Gannon University in fiscal year 2022. The entity to receive funding for this project is Gannon University, located at 109 University Square Erie, PA 16541.

The funding would be used to prepare a highly-skilled workforce to fill high-demand jobs that pay family sustaining wages as well as provide much needed resources for traditional manufacturers to transition into smart factories and increase their ability to compete in the global market.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Kelly
Member of Congress
